

CS Stanley

(B. 1977, U.S.)

About

American contemporary street artist born and raised in Indiana. Currently exhibits in local and international venues. The majority of work produced is aerosol and stencil incorporated with a variety of mixed media using brush, marker, and mouse in the creative process.

2012 marked the first year for group gallery exhibits, including the first UK exhibit .

In 2013, launched a UK street-wear line with Wormwood Rocks and would later develop their logo and branding materials.

Appointed the title of Director of Art at The First Church of Cannabis in 2015 for contributing to the interior design of the church murals, artwork, tees, stickers, branding, and set design. Later that year launched a U.S. street-wear line with Fountain Square USA.

Voted Nuvo's Best Visual 3D Artist in 2017 for forced perspective art, hand-cast, and 3D printed works. Since, has expanded in creating brand identities and curating locally owned galleries.

–10 years of related work experience

– Portfolio includes exhibits and art links to published referenced articles (see www.csstanley.com)

– Proficient in Painting, Graphic Design, Brand Development, Web Design & 3D Builds.

– 2 years gallery curating experience
